HISTORY

Founder Troy Smith Sr. started SONIC, America's Drive-In as a hamburger and root beer

stand in 1953 in Shawnee, Okla., called Top Hat Drive-In. Back then, SONIC revolutionized the ordering process by using curbside speakers that allowed customers to place food orders without ever leaving their cars. This technology spawned the slogan “Service at the Speed of Sound™,” which translated to one word: SONIC. Troy Smith Sr. aptly changed the name from Top Hat to SONIC Drive-In in 1959. The first drive-in to adopt the SONIC name is still serving customers in Stillwater, Okla.

PHILANTHROPY

While our Oklahoma City, Okla. corporate office focuses on supporting programs that provide educational opportunities for Oklahoma youth ages 4-22 and strong interest in the arts, the SONIC system bands together to through Limeades for Learning®, our national cause branding program that provides much-needed supplies and learning materials for teachers to help their students learn. Through Limeades for Learning® in partnership with DonorsChoose.org, SONIC and its franchise partners have donated more than \$5 million to public school classrooms in local communities across the country.

CARHOPS

Personal Carhop service is one of many reasons customers enjoy visiting SONIC. Frequently seen spinning by on roller skates, smiling Carhops personally deliver orders right to customers’ cars. What’s more, Carhops check back to ensure a quality experience. Each customer receives a mint with a drink, dessert or meal purchase – a tradition started by company founder Troy Smith Sr. to remind customers they are worth a mint at SONIC.
